

# THE STUDD SIBLINGS

CULTURE MEDIA REACHED OUT TO SOME OF OUR FAVORITE PEOPLE IN THE CHEESE WORLD TO LAUNCH A CHEESE & MUSIC PAIRING PLAYLIST. EACH PERSON CREATED A UNIQUE SET OF PAIRINGS THAT REFLECTS THEIR PERSONAL AND PROFESSIONAL STYLE. WE HOPE YOU ENJOY THESE PLAYLISTS AND GIVE THEM A SPIN THE NEXT TIME YOU ARE HAVING A PARTY, HAPPY HOUR, OR A SOLO NIGHT WITH YOUR FAVORITE CHEESE BOARD.

**1** LA COURONNE COMTÉ (*Jura, France*), listening to “**We move Lightly**” by **Dustin O’ Halloran**. Both the song and cheese are heavily introspective, gentle and emotional experiences. The Studd Family x Marcel Petite hand selected Comté brings you a kaleidoscope of flavours and lingering butterscotch notes which slow dance with this ethereal piano melody.

**2** LE DAUPHIN PETITE DOUBLE CRÈME (*Burgundy, France*), drizzled with honey, sipping on French Champagne while listening to “**Romanticise**” by **Chela**. This combination is how babies are made...

**3** ROGUE RIVER SPECIAL RESERVE (*Oregon, USA*), with Sauternes and shards of dark hazelnut chocolate- with “**Sound & Vision**” by **David Bowie**. This blue is unique, electric and complex, just like Bowie.

**4** APHRODITE HALLOUMI (*Cyprus*), Grilled and finished with a squeeze of fresh lemon, eaten at midnight standing on your kitchen countertop cranking to “**Start Me Up**” by **The Rolling Stones**. Boasting a gorgeous golden crunchy outside thanks to the ewe’s milk, a lingering lemon zing from the goat’s milk, and a clear ‘best in class’ for being hand folded and traditional. Both the Stones and Aphrodite halloumi are sell-out stadium events.

**5** LE- CONQUERANT CAMEMBERT (*Normandy, France*), **ELLIE’S PICK**: moshing with **Billie Eilish’s “Bad Guy”**. With camembert that is named after William the Conqueror, its unapologetic funky smell, cooked cauliflower notes and white truffle hit is a match for Billie. If you want to grab another Grammy for your guests, pair it with a dry Normandy Cider too. **SAM’S PICK**: This song is about friends first, so enjoy with Camembert’s best friends. A bottle of farmhouse dry French unfiltered cider and half a fresh crunchy baguette, best enjoyed on a picnic rug with a view.

**6** UPLANDS PLEASANT RIDGE RESERVE (*Wisconsin, USA*), with “**Over the Hill**” by **John Martyn**, best enjoyed being honest by itself or with a nice glass of Cab Sav, a slice of pear. Dreamy.

**7** LA LUNA, HOLY GOAT’S (*Sutton Grange, Victoria, Australia*) with “**Red Bellied Black Snake**” by **The Beefs**. This cheese is oozy on the inside with a curdy smooth center and definitely one of our favorite Aussie cheeses. Pub punk paired with a well-rounded cheese, we like this misfit couple.

**8** STICHELTON (*Nottinghamshire, England*) with “**Six Blade Knife**” by **Dire Straits**. Woah, what a string of world plays for this match. Best enjoyed with a Reisling or some candied pecans or almonds. This combination will help you remember how great the world can be.
